

MOULD MANUFACTURING AND LUBRICATION

MOULD COOLING - MOULD HEATING

- INUGEL CLASSIC
- SUPRACAL

GUIDERAILS

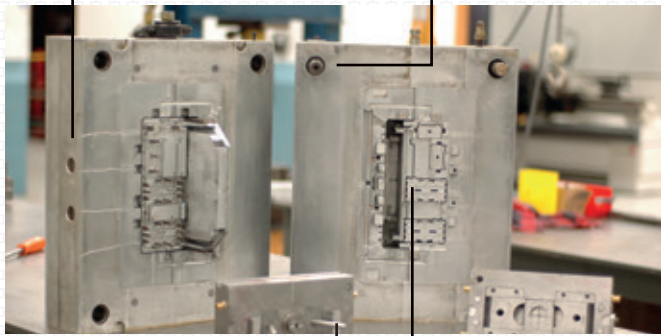

- IRIX HP - LXM 202

ELECTRICAL DISCHARGE MACHINING (EDM)

- EROLEC 100

MACHINING NEAT OILS

- SUPRACO
- SUPRACUT

EJECTOR PINS

- CIMLUBE FTF 502
- EJECTOR LUBE

DEMOULDING

- DEMOULD SPRAY

MOULD MACHINING

- STABILIS
- SAFKOOI
- BIOCOOL

PEOPLE

Everywhere in the world, MotulTech professional teams of lubrication are servicing industrial customers.

SERVICE

Advices, product monitoring, technical assistance for MotulTech customers.

R&D

Innovation drives MotulTech. With laboratories in the main industrial areas of the world, MotulTech finds new solutions for tomorrow's industry.

LOGISTIC

As an industrial supplier, MotulTech has to offer a perfect logistic to its customers. This is our commitment

QUALITY

The MotulTech commitment for quality is certified by ISO 9001 and ISO TS16949. It allows MotulTech to guarantee Premium quality products all over the world.

LUBRICANTS FOR PLASTIC INJECTION

MOTUL TECH

THE MOTULTECH SOLUTIONS FOR THE PLASTIC INJECTION INDUSTRY

A RANGE DEDICATED TO THE PLASTIC INJECTION INDUSTRY

In today's plastic production processes, high pressure and temperatures cause large stress on your machines and components but your installations are required to run reliably for a large number of production cycles.

MotulTech offers a wide range of products for the lubrication of injection moulding machines – from hydraulic and gear oils to high performance greases.

After applying these lubricants to your friction points there is less time to spent on maintenance leaving more for production.

MACHINE NOZZLES

- CIMLUBE MSI 101 CU

MECHANICAL CLOSING SYSTEMS / GUIDERAILS

- IRIX HP - LXM 202 (Graisse)
- Supra Slide (Huile)

HYDRAULIC UNIT*

- RUBRIC HM, HV, LX
- RUBRIC R-CLEAN & RUBRIC CLEAN HM
- HYDRAULIC FG

CENTRAL LUBRICATION SYSTEM

- SUPRA SLIDE (oil)
- IRIX LSM 1500 (fluid grease)
- IRIX HP - LXM 202 (EP long life greas)

* FOR MACHINES WITH A CLOSING UNIT DRIVEN BY AN ELECTRIC MOTOR POWERED BALL SCREW

- CIMLUBE PPU 102 (electric motor bearing grease)
- GEAR SY (synthetic EP gear oil)

MOULD CLEANING

- SAFCO SPRAY MULTILUBE
- INTENSE CLEANER

MOULD DEGREASING

- SAFCO SPRAY 21

MOULD PROTECTION

- SAFCO SPRAY MULTILUBE (short-term protection)
- MT OIL PROTECT (mid-term)
- MT SHIP PROTECT (long- term protection)
